Hans Peter is an architect who lives in Schonegg in Switzerland.

Hans has recently become involved in Historic racing and travels to many of the European circuits with the experienced racer Fredy Kumschick.

The ex Didier Peroni Tyrrell is one of a fine collection of cars which also includes an ex Surer Arrows plus a number of Historic F2 and F3 chassis.

The Tyrrell 008 was driven by the late Didier Peroni in 1978 with a best placing being 5th at Monaco, the race won by a similar car driven by team leader, Patrick Depailler.
